DO YOU TAKE DIGITAL PHOTO'S?

Following the success of the pictures of the Charity and Children's Rallies currently on the Centre Web Site I would like to continue with others.

Pictures can be of any of our activities that illustrate to others the benefits of rallying.

Just download them as normal from your camera and then send them as an email attachment. You don't have to do any thing to them

If you are not sure how to do this please contact me.
